Scam Circulating by Email and Additional COVID Case Hospitalized.

The Health Department has received information concerning scam email being circulated. People receive an email stating they have been named a contact to a positive case. They are then instructed to click a link to learn more. If you receive an email like this do not click on the link. The Stevens County Health Department will contact you directly if you have been named as a contact.

The Health Department has also been notified of another positive case which was hospitalized. This brings the total active cases to eight (8).
